

SHARE #BETTERBEAUTY. HOST A POP-UP.

A Beautycounter Pop-up is more than a party—it's an opportunity to share safer makeup and skin care with your friends and loved ones. As a thank you for amplifying our mission, we're giving out rewards—including some of our most iconic and best-selling products.

As soon as a Pop-up brings in at least two orders totaling \$250 or more in qualifying sales, Hosts are eligible to order one full-size product at half off. As sales increase, so do the opportunities to earn free gifts.
